## Pastoral Corner

We welcome you to the month of June 2025. Prayer Power Network (PPN) is grateful to God for the past 5 months, which ended with the 40 Days Tsalach Prayers - God, by the resurrection power of Jesus, delivered many from affliction.

By the grace of God, PPN Programmes will continue to pursue God's desire for men to know Him (Jeremiah 9:24) and experience His goodness (3 John 1:2). Now is the time to take stock, get involved, and join the new generation of prayer warriors, for the end time move of God.

You are specially invited to the Birmingham Conference in August 2025, where God will reveal Himself to us, in a new dimension (Isaiah 43:18-19). This is a new season. It is your time, and it is your turn. You must emerge!

We pray for you, that the Tsalach miracle of all-round prosperity you received is perfected and, preserved in Jesus name. Amen.

### Letter to God answered

God granted requests :

- Life partner for one daughter
- Job for another daughter
- Job for herself
- Healing for herself

On the last day of the 40 Days Prayer and Fasting, Pastor Henry asked everyone to write a letter to God. Our sister did, and all her four expectations were met.

### Challenge at the Office resolved

Our brother in UK, fell out with a manager at the office. He was lied against and made to face a panel. He reached out to Pastor Henry who prayed for him and declared favour. Indeed, our brother was favoured, and issue resolved.

### Deliverance from strange things

Strange things which were being experienced by our sister in Cross River State, Nigeria include:

- Things slap her at night
- She sees herself lifeless in her dreams

She joined some PPN programmes and was located by word of knowledge and prophecies. She is now delivered.

In addition, the way she prays has improved as a result of joining the PPN Programmes and Prayer sessions.

## After you have prayed

Article Contributed by Sis. Theresa Igube

Our Lord and Master stated in Luke 18:1 that “Men ought always to pray and not faint”. He emphasized the need for prayer when He led His disciples to the mountain during one of His quiet times but they failed to stay awake even for an hour. The advantages of prayer cannot be overstated, but it draws us closer to God and increases our dependency on Him.

However, Jesus expects a certain disposition from us after we have prayed.

1. He expects us to have absolute faith in Him and His ability to do all things. We cannot please God without faith (Hebrews 11:6). We are to carry the conviction in our hearts that since we have spoken to our Father concerning a matter, with a clean hand, a pure heart (Psalm 24:4-5), a contrite heart (Psalm 51:17), in faith and with thanksgiving (Philippians 4:6), His response will definitely be the best- whether a yes, a no or a wait.
2. Jesus still expects us to actively pursue that which we have tabled before Him. He does not want us to live a life of dormancy. He expects us to consult experts, in whom he has deposited a measure of His grace in their areas of operations. For example, a sick person believing God for healing should not reject medical assistance or science, except there is a clear instruction from God to do so. He is the Creator, and all good things come from Him (James 1:17).

Dearly Beloved, our God is able to do all things. Don't give up on Him.

## 🔥🔥🔥 The Tsalach Experience 🔥🔥🔥

Sunday, June 1st 2025, Thanksgiving Day for the Tsalach Prayers can be likened to the Day of Pentecost, when the disciples had a fire experience. They were filled with the Holy Ghost and, transformed, with new capabilities. Observers marveled. Numerous transformation testimonies from the Tsalach Programme have already been recorded and, by His grace are still pouring in.

If you have not received yours, consider the testimonies of others, as a sound of abundance of rain. Continue to cast yourself down like Elijah in 1 Kings 18, and be loading your clouds while you also eat and drink (give thanks) as declared by Elijah to King Ahab, until the testimony rain pours.

### Instant healing

Our Sister from Jamaica had pains on her legs. During one of the Tsalach Prayer Sessions on 'Deliverance of the Legs', she keyed into the Prayers. She felt the pain reducing, until it was completely gone.
